The licensure process in the State of Rhode Island is conducted by the Rhode Island Department of Health (HEALTH), Office of Health Professionals Regulation, and the Rhode Island Board of Examiners in Veterinary Medicine (Board).

## **Application Process**

In addition to the application, you must submit additional information directly to the Board. All items listed on the “checklist” (page 10) must be submitted for an application to be considered complete. All applications are considered valid for 1 year from the day they are received at HEALTH. If you do not complete the application process within 1 year, a new application must be submitted. If you are approved to take the examination, the examination approval process does not expire within one year.

All material must be received 30 days prior to a scheduled Board Meeting in order to be considered for endorsement of licensure from another jurisdiction.

Please allow a minimum of 4-6 weeks for the entire licensure process to be completed. If you have malpractice criminal or disciplinary history, in Rhode Island or another state, it can take an additional 2 or 3 months for all pertinent documentation to be received, and a decision to be made regarding issuance of your license.

Licenses will be issued within 7-10 working days following approval of the license. Wallet-sized license cards are mailed within 3 weeks from the date of issuance, and are mailed to the address furnished in the application. You are responsible for notifying the Board office, in writing, if your address changes in the interim. The Board may be emailed an address change. The email address is located at the following web site.

### Important Information

Issuance of a Rhode Island Controlled Substances Registration is contingent upon registration by the U.S. Drug Enforcement Administration. If denied a "DEA Registration", the Rhode Island Controlled Substances Registration becomes "VOID". Licensed drug facilities and licensed practitioners with prescriptive privileges, cannot dispense, possess, store or ship controlled substances in or into the State of Rhode Island without a valid drug facility or professional license. Rhode Island Controlled Substances Registration (CSR), and a federal Drug Enforcement Administration (DEA) Registration. Practitioners may only prescribe, dispense, possess, and store controlled substances within their particular "scope of practice". "Controlled Substances" for purposes of this application, means a prescription drug in Schedules II through V, pursuant to the Rhode Island Uniform Controlled Substances Act, and 21 CFR 1300 of the Federal Code of Regulations. Schedule I drugs are used by researchers, and require the submission of a protocol.

Without a Rhode Island CSR, and federal DEA Registration, licensed drug facilities, and practitioners with prescriptive privileges, may dispense or possess non-controlled prescription medications under its facility or professional license. A CSR will not be granted to an applicant whose BOARD licensure application is "pending" in this state.

A Rhode Island Controlled Substances Registration must be obtained prior to applying for the DEA Registration. Federal regulations require that applicants comply with individual state requirements prior to issuance of a DEA Registration. Once the CSR is issued, applicants must apply to the U.S. Drug Enforcement Administration for a federal registration using that agency's DEA Form 224 (New Application for Retail Pharmacy, Hospital/Clinic, Practitioner, Teaching Institution, or Mid-Level Practitioner). Applicants may apply on-line for the DEA Registration at the following web site: [www.deadiversion.usdoj.gov/drugreg/reg\\_apps/index.html](http://www.deadiversion.usdoj.gov/drugreg/reg_apps/index.html)
